Kalp Prajapati - s224834542

My comment:

I am Kalp Prajapati, and I completed my bachelor's in computer science and engineering. I have experience with several programming languages, including Java, Python, HTML, CSS, JavaScript, SQL, C, and C#. I am also proficient in using Git and GitHub, as I have worked on many projects available on my GitHub account (for reference: https://github.com/munnokd).

Regarding JavaScript, I have 1.5 years of industry experience as a Software Developer, as well as 2 years of project experience using JavaScript. I excel in building logic and managing GitHub repositories in a team environment. Given my extensive knowledge in JavaScript, I am aiming for a High Distinction grade in this unit.
